

Aerospace Wing, SAC and in 1967 was given the responsibility for SAC wings.

In September 1969, he assumed the dual assignment of commander, U.S. Forces, Azores, and commander, 1605th Air Base Wing, Lajes Field, Azores.

In June 1971, General Johnson became deputy chief of staff for personnel at Strategic Air Command Headquarters and later became chief of staff.

He joined the Defense Nuclear Agency in May 1973 as deputy director for operations and administration, and in October 1973 was appointed as the director. General Johnson also served as a member of the Aerospace Safety Advisory Panel to the National Aeronautics and Space Administration.

General Johnson received numerous military decorations and awards. He was quadruplerated as pilot, navigator, bombardier and radar operator, and had more than 17,000 hours of flying time in fighters and bombers.

Retiring from the United States Air Force in 1977, Don Johnson joined Baxter International as a corporate officer. His activities were varied ranging from facility planning, telecommunications, and aviation to Baxter's operations in South Africa, finally recommending divestment of the company's interest in that country. General Johnson chaired Baxter's Crisis Management Team before retiring in 1990.

On a personal note, it was to my great pleasure and honor that "The General," as we called him, served on my Service Academy Select Screening Board to make recommendations for nominations for the Air Force Academy in Colorado Springs. He took delight in the many fine young people that our district produced and their sincere desire to serve our country.

General Johnson was a giant among men, having served in three wars, flying fighters and bombers, going from prop planes to the Strategic Air Command, and serving as Director of the Defense Nuclear Agency. He continued making contributions in civilian life by sharing his leadership and understanding of the world. We will never comprehend the influence and inspiration that General Johnson provided to those who had the opportunity to make his acquaintance. To his wife Judy and his four surviving children, I extend my deep condolences. To General Don Johnson's many friends at the North Shore Senior Center, it was our pleasure to know such a fine individual and family man who will be missed by all.

TRIBUTE TO ROCCO J. SOCCIO

HON. BILL SHUSTER

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 31, 2007

Mr. SHUSTER. Madam Speaker, I rise today to honor Mr. Rocco J. Soccio of Lewistown, Pennsylvania, who passed away Saturday, December 16, 2006, at the age of 71 years. This distinguished man is survived by a wife of almost 50 years, Barbara Kaley Soccio, whom he married in 1957 and had three children, Jan, John and Vincent.

Lewistown is lucky to have had such a devoted citizen to the community such as Rocco, or "Rocky", as everyone knew him. For 30

years, he owned and operated the Parkway Service Store and was a partner in the operation of Riverside Wholesale for 13 years. He was also a manager and salesman for L&G Athletic Retail Sports Store. But those are just his contributions to the business community.

Rocky Soccio also spent time as an educator and coach at Kishacoquillas High School. He taught history and driver's education, and served as the wrestling coach and athletic director at the high school. The young lives he contributed to were many and did not go unnoticed. As recognition of his achievements, in 1965, Rocky was named the winner of Valley Forge Freedom Foundation Public Teacher Award.

Rocky Soccio also had a strong hand in the local government. He served on the Blue Cross Consumer Advisory Board for 34 years and also spent six years as a board member on the Mifflin County Housing Authority. Rocky became chairman of the Municipal Authority of the Borough of Lewistown as well as the Mifflin County Republican Party. He was a former auditor for the Mifflin County Board of Elections, and also found time to belong to the Knights of Columbus, the Lewistown Jaycees, the Kiwanis, and the Lions Club.

To cite each individual accomplishment and contribution that Rocco J. Soccio was involved in would be nearly impossible. His involvement in the community over the years has been immeasurable. Rocky Soccio selflessly dedicated himself to the Lewistown area, and we are all very grateful for his effort toward positive enrichment of the community, as he has certainly deserved this distinguished honor.

TRIBUTE TO RAYMOND JOHN "JACK" WEAN, JR.

HON. TIM RYAN

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 31, 2007

Mr. RYAN of Ohio. Madam Speaker, I rise today in recognition of Raymond John "Jack"

Wean, Jr., Chairman of The John Wean Foundation in Warren, OH. The John Wean Foundation was established in 1949 by Raymond John Wean, Sr., an inventive and enterprising industrialist, who was devoted to improving the quality of life and education in the Mahoning Valley. The John Wean Foundation would serve the communities in which he had achieved enormous success.

A native of Warren, OH, Jack was the son of Raymond J. Wean, Sr., who founded Wean Engineering Company in 1929. After graduating from Yale University, Mr. Wean served as a Naval Officer in the South Pacific during World War II. In 1946, he went to work for his father's business in Warren at a time when the steel and aluminum industries were booming.

Jack started in an executive position and was elected president and chief executive in 1966. He became chairman in 1979. Jack retired in 1992, but continued to chair The Foundation. He traveled extensively and was an avid sport fisherman.

Jack Wean was married to the former Adelaide McCracken and they have three sons and a daughter. They also have eight grandchildren and two great-grandchildren.

Since 1949, The John Wean Foundation has raised over \$85 million dollars. It was through Jack's generosity that a broad range of nonprofit organizations would benefit. I would like to remember Raymond John "Jack" Wean, Jr., for his sense of obligation and commitment to the residents here in the Mahoning Valley.

IN RECOGNITION OF NATIONAL SKATING MONTH

HON. STEPHANIE TUBBS JONES

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 31, 2007

Mrs. JONES of Ohio. Madam Speaker, I rise today in recognition of National Skating Month. This event has run throughout the month of January 2007, sponsored by the United States Figure Skating Association. It highlights contributions of U.S. figure skaters such as the wonderful competitors who participated in this month's U.S. Figure Skating Championships held in Spokane, WA, from January 21 through January 28, 2007.

Recently, from November 28 through December 2, 2006, my home city of Cleveland, OH, hosted the U.S. Junior Figure Skating Championships. This event featured young skaters from across the country. Significantly, efforts of the Cleveland Sports Commission, the Greater Cleveland Council of Figure Skating Clubs, and the United States Figure Skating Association resulted in an economic impact of over \$1 million in Cleveland, OH.

In January of 2009, Cleveland, OH, will again host the U.S. Figure Skating Championships. This will be Cleveland's fourth time hosting the senior championships, previously held in the city in 2000, 1964, and 1940. This competition is one of the most significant events that a city can host. The 2000 championships had an economic impact in Cleveland calculated by the Cleveland Sports Commission at \$19.5 million.

Figure skating is not only a wonderful sport to watch but is an activity that can be enjoyed by people throughout their lives. The sport is
